Diversiónary Behavioral Health Services

In addition to the MassHealth and Medicare services, One Care offers Diversiónary Behavioral Health Services. These are services that you may be able to use instead of going to the hospital or a facility if you have behavioral health needs. Your care team will work with you to decide if these services are right for you and will be in your care plan.

- Acute treatment services for substance abuse
- Clinical support services for substance abuse
- Community crisis stabilization
- Community support program
- Emergency services program
- Intensive outpatient program

- Partial hospitalization
- Program of assertive community treatment
- Psychiatric day treatment
- Structured outpatient addiction program

Community-based Services

With One Care, you can also get Community-based services to promote wellness, recovery, self-management of chronic conditions, and independent living. These services may also help you stay out of the hospital or nursing facility. Your care team will work with you to decide if these services are right for you and will be in your care plan.

- Care transitions assistance (across settings)
- Community health workers
- Day services
- Home care services
- Home modifications
